Head Coach, Personnel Manager

- Converted multiple teams' offenses to primarily 4- and 5-wide receiver sets with great success.
- Pioneered Urlacher-centric defensive sets.
- Lifetime stats:
 - Record: 94 wins and 2 losses.

Offensive Coordinator

- Studied fast-paced passing-only offensive sets.
- Consistently completed consecutive passes to set my players “on fire,” enabling them to perform spectacular and absurdly physics-defying feats of strength and agility.
- Developed breakthrough theories on the correlation between the amount of juking and spinning that a player does and his propensity to fumble the ball.

1996 – 2003 Madden '96 EA Games

Head Coach, Personnel Manager, Fitness Coordinator

- Recruited new talent to build a winning team from the ground up.
- Developed player skills such that my team's core players were the best in the NFL at their positions.
- Played through the regular season undefeated and won the Superbowl with every team in the NFL.
